

## A Word from Mrs Blake, Headteacher

To all our lovely families,

What a wonderful first week we have had! It has been so lovely to see all of the children return so positively and engage so well in their learning. We have launched our 'marvellous manners' and are asking children to greet each other politely – each class has a different greeting and it is my job to learn them all! All of the classes have started fantastic new topics: Starfish are using the key text Zog, Turtles are exploring the Anglo Saxons, Stingrays are investigating teeth and digestion and the Eels are learning about forces. For more information about these topics please look at the class pages of our website.

Just a quick reminder that we are now back to 'normal school'. We appreciate that children may have grown out of some school clothes, but they should all be in uniform daily. Your child should have a water bottle each day and a healthy snack. If possible, the bottles should have flip or sports tops to avoid pillages over tables and work. If your child is absent, please be reminded to let the school office know as soon as possible so that we can log the reason and authorise the session.

*Best Wishes*

*Mrs Blake*

## Indoor Rowing

On Monday, both Stingrays and Eels classes will be taking part in a number of Indoor Rowing sessions, provided and coached by the Plymouth School Sports Partnership. Each class will have a session in the morning, to learn and practice their rowing skills, and then another session in the afternoon, where they will get to put their new skills to the test in some inter-class competitions!

It would be fantastic if all children could come to school in their PE kit on Monday; a white t-shirt, some jogger bottoms and trainers would be great. If you have any questions, please get in touch with Mr Green!
