Dear Parent/Carer(s),

The children have been working incredibly hard this week. They have all put their best effort into the tests and have behaved perfectly.

I would like to have a small celebration with them on Friday afternoon to celebrate their success. Having asked them for ideas, we have decided to have: a water fight, some party food and a disco.

So that these fun activities can take place, please could you send your child to school on Friday in their school uniform, but with a towel and a spare pair of clothes for the water fight. They may also like to bring a water pistol or balloons.

In addition, the children want to make their own pizzas, so I am asking for a contribution of £2 per child to buy the ingredients, or they may like to bring some party food (crisps, sandwiches, cakes, etc...) instead.

Thank you in advance for your help in these matters and I hope we can make it a fun time for your children to celebrate their success.

Many thanks,

Mr Goodwin
