

Dear Parents and Carers,

Have you heard about the One to One Reading Club at school? Our school needs YOU!

We would like to offer a reading club during school hours to the children in Key Stage 1. We are looking to find a team of adult volunteers to listen to our youngest children reading aloud at school; just ten minutes a day, every day. This has a huge range of beneficial effects such as improved reading fluency, comprehension and confidence. This club is being run in other schools across the City and all the volunteers have enjoyed it immensely too! We are looking for new volunteers to get us started as we would like to listen to as many children as possible each day.

Anyone can be a Reading volunteer!

There's no teaching involved, you just need to be a good listener and offer the odd word of encouragement. In fact, it's just like listening to your own children, but slightly easier when you're not watching the clock, or trying to get bedtime sorted! We hope to offer the One to One Reading Club sessions every afternoon between 2pm and the end of school. You would not have to volunteer on a daily basis; once a week would be great, or more if you like!

If you'd like to give it a go, or if you would like to find out more, please complete the details on the slip below and hand it in to your child's teacher, or email me at High.St.Primary.School@plymouth.gov.uk and I will be in touch as soon as possible.

Many thanks!

Mrs. Scott
