Dear Parents/Carers,

I am writing to briefly outline the plans for the SATs, that the Year 6 children will be taking next week.

Throughout the week, the tests will all take place in the morning. The timetable is as follows:

Monday	Tuesday	Wednesday	Thursday	Friday
English: Reading booklet and associated answer booklet.	English: Grammar, punctuation and spelling Paper 1: short answer questions.	Mathematics Paper 1: arithmetic	Mathematics Paper 3: reasoning	A normal morning for the children.
	English: Grammar, punctuation and spelling Paper 2: spelling.	Mathematics Paper 2: reasoning		A SATs completion party (further information to follow)

During the week, a breakfast will be provided for your child, free of charge, so that there will be a calm start to the day and all the children will be primed and ready to go.

Could I please ask that all children are in school for the entire week and that they arrive at school before 9am. In addition to this, please could you ensure that your child goes to bed at a reasonable time, as they will need their best concentration and focus for the very challenging tasks.

I am extremely proud of the effort and the progress that the children have all made. I see the tests as an opportunity for the children to demonstrate how much they have all achieved. I will ensure that there is a calm, relaxed and focused atmosphere, so that the children can succeed to the best of their ability.

I am very happy to speak to any parents that have concerns, or questions, about the week. Please contact me at the end of a school day and I will be happy to discuss them with you.

Your child's results will be shared with you later in the year, via an end of school report.

I would like to thank you for your continued support,

Mr Goodwin.
