

SENDco - MPS - Part time (0.5) – Permanent – to start September 2018/ January 2019

High Street Primary Academy (Reach South Academy Trust)

High Street Primary Academy
High Street
Stonehouse
Plymouth
Devon
PL1 3SJ

Are you looking for a new exciting challenge? If so then High Street Primary Academy would be the school for you. By September 2018 we will have joined forces with Stuart Road Primary Academy and our Executive Head Teacher Mitch Frame, who is relishing the opportunity to recruit new fellow professionals.

We are looking for a SENDco who will co-ordinate and support the needs of the children with special educational needs in classes but also a teacher who can deliver quality intervention across the school for pupils who need additional support. Our new SENDco will be someone who is able to contribute to and work within our fully inclusive approach to education. The SENDco will also oversee inclusion in the school. Our pupils are fantastic learners who deserve the best possible education every day.

In our drive to expand our educational provision we are looking for somebody who:

- is going to work hard and successfully apply their ongoing professional development
- has relevant and recent experience as a school SENDco and has or is willing to undertake the National SENDco Award training
- Be familiar with the new SEN code of practice and the new EHC plans
- Have a working understanding of specific strategies to support children with ASC
- Work alongside teachers, parents and outside agencies to support children's learning and progress
- Be familiar with the EHAT process, leading meetings and completing related paperwork
- Be efficient in time management and working to deadlines
- Be prepared to continue with continuing professional development and attend staff meetings
- Be a happy and enthusiastic team member of our school

There will be an opportunity for a comprehensive handover from the current SENDco to ensure continuity for children, parents and staff.

Please contact Anne Body our School Business Manager for an application form and further details are available via email (abody@highstreet.plymouth.sch.uk) or alternatively please telephone (01752 225649) to speak to the Head Teacher, Mr Mitch Frame.

Closing date: 4th June by 12 Noon

Shortlisting: 5th June

Interviews: 11th June
