

A Word from Mrs Blake, Headteacher

To all our lovely families,

We have got to the end of another week! The atmosphere in school has been fantastic with some amazing learning going on– I have been served a healthy fruit salad by Miss Gilbert's class, been told all about an alien story by Miss Merriman's class and also had some facts shared with me about Charles Dickens by Miss Urquhart's class. We also have some amazing learning going on at home which has been shared with us on class Dojo.

You may have heard the news this week that the Prime Minister has said that lockdown will continue until **at least** Monday the 8th of March. This means that, apart from the half term week (Mon 15th – Fri 19th of Feb), we continue to be open to key worker or vulnerable families from now until the 8th of March. After that, and **when the national lockdown has definitely been lifted**, we will look forward to welcoming back all children.

Until then, please make sure you are encouraging your children to work from home daily. We are continuing to develop our remote learning approach to make it as easy as possible for the children to access the curriculum at home. Next week we launch our High Street Google Classroom to make our learning offer even more accessible. Please ensure you check your emails and our Facebook page for details of how to login. We have a last few Chromebooks to allocate to families in need so please get in touch if you need a laptop to support your child's learning.

I hope you are all staying safe and we look forward to seeing you all soon,

Best Wishes

Mrs Blake

Google Classroom

As from Monday, all of our remote education will be on our Google Classroom. The learning on offer will be the same but the children will need to login to their own 'classrooms' instead of using the website. All information you need will be sent via email, Dojo and as paper copies but if you don't receive this information please call us first thing on Monday.

Resources and paper copies of maths work can be picked up on Monday at 9am for those that have requested it but ALL learning can now be done directly onto the sheets in the classrooms.

We will be ringing you early next week to make sure you have all the information you need and to check that your child/ren have been able to login.

Home Learning Heroes

Well done to all those working super hard at home and uploading your work to Dojo. Here are our home learning heroes for this week.

Keep up the hard work everyone!

School Superstars

Sapphy – Y3

For being very engaged with her learning and wanting to share her fruit salad with me!

Lexi – Y5

For knowing so much about Charles Dickens and sharing facts with me!

Riley – Y1

For learning his sounds and being so proud!

Tommy – Y4

Such a great attitude to learning and being so helpful to Mrs Edgar!
