

A Word from Mrs Blake, Headteacher

To all our lovely families,

Half term is here! We finished off term four in style yesterday with a lovely whole school event. The children got the chance to dance, play rounders and eat ice lollies in the sun to celebrate their hard work.

We have lots to look forward to in term six and there will be many opportunities for the children to be introduced to the Millbay staff and site so that we can prepare them for the September Federation. Many thanks to those of you who attended the meeting with Chris Teye, Fi Kelly and myself on Wednesday. We really appreciated your feedback and support and we will use your comments to help us develop a smooth and positive transition for the children and staff of both schools. Please continue to use the email address dedicated to the federation to give us further things to consider – federation@reachsouth.org.

Finally, let me wish you all a lovely, restful, half term. We know that the children (and staff!) have put their all into their learning this term, and term four was the longest stretch of on-site learning for our children for some time. We appreciate that we all need some well-deserved rest before getting stuck into term six. I look forward to seeing you all on Monday the 7th June ☺.

Best Wishes

Mrs Blake

Word of the Week

We are focusing on widening our vocabulary this term. On each newsletter will be a 'word of the week'. See if you can try and use it as many times as you can

mollify

Definition: appease or please someone who is cross or angry

Sentence: When Sam was upset about his cake, mum mollified him.

Dear Parent/Guardian

City of Plymouth Trampoline & Gymnastics club has linked up with your child's school with the aim of encouraging young people back to fitness and searching for individuals to join our latest Talent Identification squads.

Trampoline & Gymnastics has been proven to severely improve physical and mental attributes of participants that take part. Providing a fun and exciting way to regularly take part in fitness each week.

In past years, we have run successful Talent Identification sessions within Plymouth schools, highlighted individuals with great potential for Trampoline or Gymnastics and worked with them to be part of South West Squads, England Squads and even working within the Great Britain Teams and having the chance to attend events around Europe and the rest of the world.

We would like to offer the following opportunities to you and your child:-

Talent Identification trials – We are holding open trials where your child will get the opportunity to try out our trampoline and gymnastics equipment, to potentially gain a place within this year's Talent Identification Program.

This time around we are interested in trialing children born in 2013, 2014, 2015 and 2016.

Contact us at admin@cityofplymouthgymnastics.com with your name, school, child's name and year of birth by Sunday 13th June 2021. The trial will take place on Saturday 19th June in the afternoon.

We look forward to seeing you at the trial stage.

Regards,

City of Plymouth Trampoline & Gymnastics Club
