

Measure

Can you measure objects using different units?
Can you measure your toys using your hands?
Can you measure objects using a ruler?
Can you bake a cake and measure the ingredients using scales?

Counting in 2's, 5's and 10's

We have been counting in 2's, 5's and 10's in school.
Can you practice at home? You could practice your 2's using your shoes or socks?

Can you spell the days of the week?

Monday
Tuesday
Wednesday
Thursday
Friday
Saturday
Sunday

Here are some free online learning websites that will support maths!

Maths Activities

Year 1
Week beginning
23.3.20

Fractions

Find things you can cut into halves and quarters, e.g. a pizza, a cake, an apple.

Ask your grown up to draw some circles on a page. Can you split them into halves and quarters?

Link to video on fractions of

shapes: <https://www.youtube.com/watch?v=EGcZIrYouSA&list=PLWIJ2KbiNEypS0xt54Wez5X4gnQ-xxvu&index>

Addition and subtraction

Can you add 2 numbers together and write a number sentence? How many can you do? E.g.
 $8+5=13$

Can you subtract a single digit number from a 2 digit number? E.g. $14-7=7$

You can use resources around the house to help!

One more and one less

Get some raisins, grapes, cereal pieces. Place some on a plate. If the grown up with you says 'one more', add one more and say what number you have now. If they say 'one less', eat one and count how many you have left.

Can you create a number sentence e.g. $8+1=9$
