Projects		Successful outcome criteria
Excellence Cluster Support. Counsellors Learning Support Mentors Therapists MAST team Additional Educational Psychologist support Speech therapist		Children will benefit from having access to high quality therapeutic and emotional support. This will ensure that emotional and social issues will not inhibit learning. Early intervention will help to prevent issues from escalating.
Easter School - Excellence Cluster		Children will benefit from additional literacy and numeracy support and from socializing with children from other schools.
Summer School – Excellence Cluster		Children will benefit from additional support in literacy and numeracy. This additional support will ensure that children are able to make more rapid progress when they return to school.
Breakfast Club ( Subsidy)		Children will have a good breakfast. They will be able to socialise with other children. Active games will be developed and children will be on time to start their school day in a calm and constructive manner.
Attendance awards		Bicycles will be bought and each child with 100% attendance will have the opportunity of winning one of the bikes. Class prizes of £50 per term and £5 book tokens for each child.
Play ranger equipment		Older children are given responsibility to take charge of organising games and activities at playtime and lunch time. Low level misbehaviour will diminish and older children will develop maturity, confidence and organisational skills.
After School Clubs		Children will engage in various activities including art. ICT. Games, sport and gardening. They will gain new skills, develop confidence and socialise with others.
Offsite Events (Transport and fees)		All children will have the opportunity to take part in off site activities that will broaden their outlook, their experience and develop their knowledge.
Residential Trip Y5 (Subsidy)		Y5 children will have the experience of living with a small group of other children. Learning skills that are transferable, gaining in confidence, independence and knowledge.
Child Assault Prevention Programme		Children will receive a quality input from a specialist charity in all aspects of child abuse. Children will feel more secure, in control of their lives and will be able to focus on their academic work.
Musical Enrichment		Children will gain generic skills that can be applied to other areas of the curriculum. Their confidence will improve and their willingness to take part in concerts etc will broaden their experiences.

<b>Sub Total</b>		
<b>Curriculum Support</b>		
Reading intervention( Two days per week)		Children who are in danger of falling behind will access a comprehensive reading recovery programme.
One to One tuition		Children will be able to work through areas of misunderstanding in maths and literacy. A highly trained and experienced teacher will deliver focussed intervention that will ensure FSM children have the same opportunities as other children in reaching their full potential.
Booster Class for Y6		Y6 children will consolidate their knowledge in small groups with a highly trained intervention teacher. This will ensure that any gaps in knowledge can be addressed quickly and children will be able to reach their full potential.
Education City computer programme		Children will have access to high quality private study and home work programme.
Additional TA to support KS 1+2		Intervention strategies are used to ensure that all children who are falling behind in their work have the opportunity of focused intervention work.
Additional support for EAL children		With up to 30% EAL pupils, the need for rapid understanding of English so that children can access the national curriculum will be developed. A programme of work has been designed by a teacher and is being delivered by an experienced teaching assistant.
Life education Centre		Children experience a structured programme that encourages them to develop healthy attitudes to their bodies and their minds.
Junior life skills		Y6 children experience various dangers that they might face and begin to see ways of protecting themselves.
Children's University		All KS2 children will be credited with extra curricular awards gained by attending various activities.
